#UnitedFaithsofAmerica —
a Prayer for the Nation

New York's faith communities are co-hosting a joint prayer initiative on Monday, April 6, beginning at 10:00 AM EST. Videos will be shared and posted on social media platforms throughout the day.

The #UnitedFaithsofAmerica prayer campaign will be kicked off by a cohort of 12 Interfaith leaders representing world religions - Judaism, Christianity, Islam, Sikhism, Hinduism, Buddhism, Bahai, Zoroastrianism- who will post a 0:30 second message as all faiths come together to pray for the country during this pandemic. Their message is meant to inspire friends and followers to post their own Prayer/ Meditation videos using #UnitedFaithsofAmerica.

Join us to help spread the word! Please promote this initiative to members of your online community by sharing this Save the Date announcement with your organization's list-serves and contacts.
